

On behalf of the DV Band Boosters, welcome to the 2011-2012 season of the Thunder Band Programs!

The boosters are made up of parents, family and friends who work together to support our students and staff throughout the fall marching season, the winter jazz, guard, brass line and drum line seasons, and all year long in the concert band programming. It's a big job! We'd love to have your help.

All of the pieces that make the band run are important. We have many dedicated, experienced committee chairs and volunteers already in place who are looking forward to meeting and working with you. Volunteering is a wonderful way to meet new friends, support valuable programming, and above all, show the students how much they matter.

Many of the opportunities for involvement are listed on the Volunteer forms on the Desert Vista Band website. We would like to encourage each family to take a look at this list and choose at least one you'd like to support. These pages can be returned with the other band camp forms. If you have any questions at all, please contact us.

Please note the mandatory parent/student meetings on the calendar and mark your own calendars accordingly. This is where we will keep everyone updated on the upcoming activities and events in the program. This is a bit of a departure from how we have done things in the past. We will no longer be holding monthly booster meetings. Bookmark www.thunderband.org where we post the master calendar, forms and other important information. Also, be sure we have your **correct e-mail(s)** on all the forms; e-mail is the main means we use to stay in touch with all band families.

We look forward to sharing the next band season together!
