

AZ State Tax Credit

Desert Vista Marching Band Program

Using tax credits is a great opportunity to reduce the cost of marching band. A tax credit is a dollar-for-dollar reduction in the actual tax owed.

In order to use the AZ State Tax Credit for a marching band payment, please fill out the TUHSD Tax Credit form. You may take this form, or mail this form to the bookstore, with your check *made payable to Desert Vista High School* (not DV Band Boosters!). **Please include your phone number, student's name, and student's school ID number on your check.** You will receive a receipt in the mail from the bookstore. Please give that receipt, along with the green payment coupon, to the band boosters!

If you want to mail the tax credit form, please send to:

Desert Vista High School
16440 S. 32nd Street
Phoenix, AZ 85048
Attn: Bookstore Manager

Remember that the tax credit for married filing jointly is \$400 and for individuals it is \$200.

You may also have AZ family members and friends submit a tax credit form in your student's name. This can be credited to Marching Band and used toward your payments. They get the advantage of a tax credit and your band payment is reduced by their amount. Additional tax credit forms are available at www.thunderband.org

If you have any questions you may call the bookstore at 480-706-7935.
